(9-12 yr)

7:30- 8:30 Teen Improv I

8:30- 10:00 Adult Improv

We are so excited to announce that AOS will be offering a unique opportunity for our pre-teen, teen, and adult actors! Beginning this Fall, Elizabeth Byland (EB) will be developing and conducting an improv program for our students, which includes an all improvised showcase! The curriculum will closely follow the same core concepts and building blocks of short-form and long-form improv programs such as Second City and Improv

Olympic, while incorporating necessary acting technique for onscreen and stage performances.

EB is one of our newest instructors and taping coordinator at AOS. But what you may have not known, is she is a Chicago improv veteran, from Improv Olympic and Second City! EB takes great pride in working as a professional actor, but improv is her true passion! She has been directing and performing

improv for several years. She, even, directed improv at one of the nation's leading film schools, S.C.A.D., whom won the SouthEast College Improv Tournament in 2013! We couldn't be more thrilled to have her share her knowledge with our students!

So whether you have a knack for comedy, looking to improve your auditions and callbacks, or if you are in need of a confidence boost, then be sure to register today!
